In reply to reference A evaluation comments on reference B, the following information is forwarded:

A. The crew member who considered that STETKO's Ukrainian was imperfect is Vladimir ~~IVANKOVICH~~, who is now using the alias ~~VITSEKIVSKY~~ while in Taipei.

B. According to Georg ~~IVANKOV~~, the reasons why the White Russians in Taipei are dubious concerning STETKO are that they are not sure what he is trying to accomplish, and they consider him to be an opportunist, because he was reported to have worked with the Nazis during the occupation of the Ukraine.
